Whiter than the snow You wash me
Such mercy I have known
You took my sin, cleansed my stains
And made me new

Grace fell like rain and covered me
And gave me beauty for ashes
Grace fell like rain and set me free
Oh I will sing of my Savior

By Your stripes I'm healed, forgiven
Your love for me revealed
That I could be a new creation
Now I am Yours

Oh how high, oh how wide
Oh how great is Your love for me
I will sing of all You've done
Oh You found me
